

St Michael's Church 2020 Advent Window Trail

What is it? A community event where people decorate a window creating a live, village Advent Calendar. You will be able to see the windows as they light up by following on the St Michael's webpage or Facebook.

Who can take part? Anybody can!

When is it? The first window will be lit in the Church Centre on 1st December. There will be a new additional window in people's homes each day from 2nd December 2nd till 23rd December. The last 'window' will feature the Crib scene in church on Christmas Eve.

How do I join in? Contact **Revd Suzanne** on vicar.stmichaels.colehill@gmail.com for details, dates and ideas. or go on our website: www.stmichaels-church-colehill.co.uk

Can I do my own thing? As long as you tie your window to the theme you have signed up for – YES. You are free to use whatever technique or materials you fancy.

What will you put in your window to bring hope, light and joy this Christmas?
