

St Michael's Church 2020 Advent Window Trail

No matter what kind of window you have, you are invited to sign up to join in.

Here are some ideas of what you can use to create your Advent windows:

- Colour with crayons or felt tip pens on greaseproof paper.
- Cut out scenes from stiff paper/card.
- Use coloured tissue paper or coloured cellophane.
- Draw with white board markers (make sure they are water soluble!)
- Paint on acrylic sheets – use acrylic paints.
- Create a scene with figurines.
- Stick cut-out figures on the window.
- Tableau with lights.

A search on the internet will bring up lots of ideas (though not all with a religious theme).
